

Marie Caldwell

Treasurer

Marie has worked both in education and as a community builder across the region for over 30 years. She is a graduate of Montague Elementary, Yreka High School, received her BA at University of California, Santa Barbara and completed her graduate work at Simpson University. She has held both nonprofit and education agency positions in Siskiyou County: teacher, principal, superintendent, and most recently as Executive Director of the Siskiyou Works organization. She has and will continue to bring expertise and programs into our County and Region to coordinate and align community building efforts, align and sustain youth development systems, along with workforce and economic development efforts.
