On a road trip, my husband Gary and I landed in the quirky town of Happy Camp. Stopping to buy cherries from locals. We ended the transaction with the purchase of a cabin. Later, we bought a business. Two decades later...we wouldn't change a thing. Love it here!

While living in Siskiyou County I have served on a variety of boards: Happy Camp Chamber of Commerce, Discover Siskiyou, Ore-Cal RC&D, Hope for Happy Camp, and Slater Fire Long Term Recovery Group.

I want to see a healthy economy and job opportunities. Happy Camp is getting better every day.
